* We do not climb higher than a 2-step ladder. Higher items will only be dusted w/ an extension duster. We cannot move furniture, but we will try to reach any visible places either by hand or with an extension duster. Most homes have at least one chandelier or vaulted ceiling fan that we cannot reach by hand.

** We cannot guarantee the results of mini-blind cleaning. Excessive build-up may require a professional mini-blind cleaning service. Please allow for some dust resettlement after we leave. We try to limit the dust in the air but cannot prevent this entirely.*** We have extremely hard water here in the Ozarks. Complete removal of mineral build-up may not be possible.
