\* We do not climb higher than a 2-step ladder. Higher items will only be dusted w/ an extension duster. We cannot move furniture, but we will try to reach any visible places either by hand or with an extension duster.

\*\* We cannot guarantee the results of mini-blind cleaning. Excessive build-up may require a professional mini-blind cleaning service. Please allow for some dust resettlement after we leave. We try to limit the dust in the air but cannot prevent this entirely.\*\*\* We have extremely hard water here in the Ozarks. Complete removal of mineral build-up may not be possible.
